

To Dawat-e-Islami

June 2021

On behalf of the The Springfield Neighbourhood Team, I would like to take this opportunity to thank Dawat-e-Islami for your valuable input and hard work recently.

I really appreciate your willingness to work together on making our communities safer.

Your social media campaigns on fly tipping were received with positive praise from the residents of Sparkhill. The videos were professionally made and portrayed a clear message.

I would also like to thank you for working with my team on county drug lines. This is a very important area and your young students were model citizens during the delivery of the workshops.

During our recent visit to your main centre based in Stechford, Birmingham, your team presented a highly informative presentation on the national and international work that you are doing. It became apparent that Dawat-e-Islami are committed to working with communities for the betterment of our society.

I wish to thank you for your passion and dedication and hope to continue this work building bridges and making our communities a safer place.
